Julia Jernigan Smith
Creative Capitol Strategies

Bea Jai Webb
Community Volunteer

FOR IMMEDIATE RELEASE

**Impact Oklahoma to award over \$150,000 in grant funds
at its Annual Meeting.**

(March 23, 2021-Oklahoma City) Impact Oklahoma, a group of women making transformational grants to central Oklahoma nonprofits, is excited to announce its annual meeting.

The annual event is Thursday evening, May 20th at the National Cowboy and Western Heritage Museum with an invitation to both members and nonmembers. Impact Oklahoma members will award \$100,000 to the project that wins the most votes.

Ending its 15th year, Impact Oklahoma has awarded more than \$3.5 million in grants to nonprofit organizations in central Oklahoma. The number of \$100,000 grants given annually is contingent upon the number of members who join, with \$1,000 of each member's dues and \$500 of each junior member's dues going into the grant pool.

The annual meeting is a chance for members to hear directly from the four finalists who applied for a \$100,000 grant to fund an innovative new project they may not be able to undertake without the grant.

Our four focus area finalists for 2021 are:

****Health & Wellness -- HALO Project**

****Family -- Wings OK**

****Education -- ReMerge**

****Community -- Mary Abbott Children's House**

Information including a synopsis of each finalist's project will be available the first week of April on the Impact Oklahoma website. <http://www.impactok.org/2021-finalists>.

An update will be sent following the annual meeting to alert you of the winners. Any questions can be directed to donna.brogan94@gmail.com or 405.834.0477.
